

## ***Do you want to hold my hand?***

Around the world family's hands can be used to lift us up, hold us safe, wipe away tears, and make art! What else can your family do with their hands?

Ask an adult to help you with this project before you get started. You will need:

- Paper
- Pencil
- Crayons, markers, paint, yarn, feathers, or any other materials you like

Have each member of your family trace their hands on a piece of paper.

Decorate the hands to make a picture or to express the personalities of each member of your family.

When you are all finished you will have a beautiful picture of your family's caring hands.
