See the Field Museum in a whole new light—after dark! Families and groups with kids ages 6–12 can experience the museum after the lights go out at Dozin’ with the Dinos.

Dozin’ with the Dinos is a unique opportunity for children to spend the night at the Field Museum. During our Science Showcase, meet scientists, and join in activities like dissecting owl pellets and drawing specimens. Enjoy a self-guided tour of your favorite exhibitions in the dark (make sure to bring your flashlight!) and hear the stories behind the science of our specimens. Then crawl into your sleeping bag in one of our wondrous exhibitions.

Accessibility

We want everyone to have a great time at the museum.

If you require accommodations, such as an accessible parking space or entry through our accessible entrance, please contact us at 312.665.7525 or email overnights@fieldmuseum.org at least one week before your event. If you or your child require additional support, don’t hesitate to contact us. You can also download our Field For All app in advance of your visit to get an overview of the museum and make your visit more enjoyable. The app is available both on the Apple Store and the Google Play Store!

Safety

- Eat only in designated areas and never in our exhibits.
- Keep your shoes, shirt, masks, and pants on (except while sleeping).
- Walk—don’t run—through the museum.
- Children and their chaperones must stay together at all times.
- Respect fellow overnighters and their belongings when exploring exhibitions.

The Field Museum reserves the right to remove guests without a refund from the Museum during Dozin’ with the Dinos. Behavior that would merit removal includes, but is not limited to:

- Belligerence to a staff person or other guest
- Fighting
- Refusal to adhere to Museum regulations
- Possession or consumption of alcohol or illegal substances.

Getting to the Field Museum

Visit fieldmuseum.org/GettingHere to access the directions and parking information from anywhere.

Public transportation

Chicago’s convenient public transit offerings are an environmentally friendly way to get to the Field Museum every day of the year.

By CTA train

The closest CTA train stop to the Field Museum is Roosevelt. Servicing the Red, Orange, and Green lines, the Roosevelt stop also offers a connection to the #146 bus (at State and Roosevelt), which takes riders directly to Museum Campus.

For schedule updates, maps, information on Ventra fare cards, and other travel information, visit the CTA website: transitchicago.com.
By CTA bus
Two bus lines service Museum Campus:

- #146 (Inner Drive/Michigan Express/Museum Campus)
- #130 (Museum Campus, only mid-May through Labor Day)

Use the CTA’s Bus Tracker for updated arrival times.

By Metra

The closest Metra stop to the Field Museum is the Metra Electric District station at Museum Campus/11th Street.

Visit Metra’s website for information about other nearby stations, schedules, tickets, and other travel information.
By car
Driving is a convenient way to access Museum Campus, especially if you’re traveling with the whole family! For custom directions from wherever you’re located, enter your address into Google Maps.

The easiest route to Museum Campus is via the 18th street and Lake Shore Drive entrance, immediately south of Soldier Field. Exit Lake Shore Drive onto eastbound 18th Street and follow 18th Street/Museum Campus Drive east of the stadium and north to Museum Campus.

Parking
**Overnight parking in the Soldier Field North Garage is included with your ticket beginning at 5 pm.** You can access this garage off 18th street. Take a parking ticket from the machine and a validation ticket from Dozin’ with the Dinos check-in staff. All cars in the garage must exit by 9am the following morning.

Do not park in either the East or West Lots unless you’ve made prior arrangements with us for accessible parking.

Occasionally, the garage operates on a cash-only, pay-as-you-enter basis. On these days, tell garage staff that you are attending Dozin’ with the Dinos. They will let you in to park, and you will not need a validation ticket to exit.

We cannot reimburse guests who pre-pay for their parking or pay for parking without a validation ticket.

Arrival and check-in
Please plan to arrive between 5:30 and 6:15pm. This will give you enough time to check in and drop off your gear in your assigned sleeping area. Guests must enter through the South Entrance.

Check-in procedures vary by ticket type:

Standard
- Guests should go to the general admission line to check in and pick up a hard copy of the schedule and maps for the night or scan them with your phone via QR code.

Premium or Tour
- Guests should go to the premium admission line to check in and pick up a hard copy of the schedule and maps for the night or scan them with your phone via QR code. Premium and Tour ticket holders will receive wristbands that allow them to sleep in the Evolving Planet exhibition. If you’ve purchased Tour tickets, you’ll also receive a sticker that indicates which tour you will be on.
Groups
• Group leaders should arrive by 5:30pm. Please go to the Group registration desk to check in. Your other group members do not need to be with you. If the group leader cannot arrive on time, please designate a secondary leader to check in the group.
• Please make sure that your group members know the name of your group and your group leader’s name.
• Group leaders should stay at the South Entrance (after checking in with our staff) until their whole group arrives. Group leaders are responsible for checking in individual members of their group.

If you arrive late, you can enter through the South Entrance until 8pm. Guests that arrive after 8pm must enter through the West Entrance, near Lake Shore Drive. No one will be admitted to the museum after 9pm.

Sleeping areas and belongings
We will notify all guests of their sleeping location at check-in. All sleeping areas are carpeted. Sleeping area assignments vary by ticket type:

• Families sleep in a reserved area in an exhibition, which may vary with each event.
• Premium and Tour guests sleep on the upper level in the Evolving Planet exhibition. SUE sleeps up here with you, but SUE always sleeps alone. Guests are not allowed to sleep in the SUE Experience gallery.
• Groups sleep in a designated area on the main level. All-girl groups and all-boy groups may be located in the same area. Sleeping arrangements are based first on group size, then on group type. Every effort is made to put groups of the same type in the same area.

Select exhibitions remain open to all guests until midnight! We encourage guests to leave their belongings in their sleeping areas, but please do not spread out your gear until after the Science Showcase to ensure that everyone enjoys it. Leave a clear walkway when setting up your gear. Remember, tents and air mattresses larger than twin size are strictly prohibited.

Power outlet access
In some exhibitions, power outlets turn off when the lights go out. Inflate your air mattress before 10pm.

If you need 24-hour access to electricity, for example, if you use a CPAP machine, contact overnights@fieldmuseum.org at least one week prior to the overnight event.
Food
We recommend eating dinner before you arrive. Outside food is allowed, but ONLY in designated eating areas and never in the exhibitions, to prevent pest infestations in our collections.

On the evening of the event, a light snack will be available for pick up in the Siragusa Center on the ground floor. Guests may eat in the Siragusa Center or the Marine Mammal alcoves nearby. Hot coffee and iced water will also be available for guests. Continental breakfast will be provided the next morning, beginning at 7:30am.

Guests are welcome to eat in the designated areas on the ground floor of the museum. Food found in the exhibition halls or sleeping areas will be confiscated.

If you choose to bring food:
- Seal it in a heavy-duty plastic container (not a Ziploc bag) and label it with your name.
- Eat only in designated areas and never in exhibition halls.

Departure
Pack and clear your supplies by 8:30am the next morning. Any items left in the exhibits past 8:45 will be removed to coat check and may incur a check-in fee. Move your car out of the North Garage by 9am. If you need to leave before 8am, check with our staff or Protection Services to see which doors are available to exit.

Extending your stay
Continue exploring the museum after the event ends—Basic admission is included with your ticket! You can leave your gear with the coat check or pack it away in your car. Just remember to have a Dozin’ with the Dinos staff member stamp your hand so that you can re-enter the museum after 9am.

If you are staying on Museum Campus, you can pull back into the North Garage and pay the daily rate or drive closer to the Adler Planetarium to find a metered parking spot.

Merchandise
You can purchase Dozin’ with the Dinos merchandise in one or more of our stores from 6:30pm to 8:30pm on the night of the event. These stores may change from event to event, be sure to check your packet the night of the event to see where you can purchase merchandise. Near the South Entrance, the main store will carry Dozin’ merchandise and will reopen at 7:30am, the morning after the event.

You will also have the opportunity to pre-order items from the store through our website. There will be a link available on the main Dozin’ with the Dinos. When you place your order, you’ll have the option to pick it up or have the materials shipped to you.
Note: Merchandise orders are now made through the Museum Stores, not through Dozin’ with the Dinos staff. Please direct inquiries to the stores at 312.665.7686 or stores@fieldmuseum.org.

Emergency procedures
Familiarize yourself with the two stairwells nearest to your sleeping area. In case of emergency, exit the museum via these stairwells. Meet at the entrance to the Soldier Field North Garage and await further instructions. **Never call 911 from within the museum.** Always contact our security and staff to ensure the fastest response. Emergency responders do not know the museum layout, but we do. Just look for staff with a Dozin’-with-the-Dinos t-shirt with ‘STAFF’ on the back to find us!

Security
The Field Museum Protection Services department has staff members inside the building 24 hours a day. You can find a Protections Services Officer and other staff in Stanley Field Hall.

While we encourage you to leave your belongings in your sleeping area, we highly recommend keeping your valuables with you at all times. The Field Museum is not responsible for any lost or stolen items.

First aid
An Emergency Medical Technician (EMT) is onsite in the first aid room. If you or someone in your group needs assistance, please tell a staff member or Protection Services Officer. They will escort you to the first aid room.
Sample Event Maps (Actual current maps will differ):
The floorplans show where the main events usually take place on Dozin’ nights. These will change for your event.

Note: These maps are a good general idea of locations for the night, but details will change for your event!
