

## Field Explorers Summer Camps 2023 Opportunities

This summer, we are offering two different one-week camp options for each age group. From fossils to cultures, experience all the Field has to offer. Field Explorers Summer Camps encourage children to expand their curiosity about the natural world while having fun! Attend one or both camp themes for a unique experience unlike any other.

<b>DATES</b>	<b>Kindergarten</b>	<b>Grades 1-2</b>	<b>Grades 3-4</b>	<b>Grades 5-6</b>	<b>Grades 7-8</b>
