GUIDED TOURS AND PROGRAMS

Get an insider’s perspective on the museum and unique stories about our artifacts. We’ve worked with our docent and curatorial staff to create the following options for you to maximize time and enhance the Museum experience!

Docent Led Tour – $5 Per Person
Take a guided tour through some of our permanent collections with one of our knowledgeable docents. On a Museum Highlights tour, spend 60 minutes learning about the history of the museum and allow our specialized docents to share their favorite secrets! One docent per 15-20 visitors is provided. Due to space constraints, the group may be segmented into smaller groups.

Docent Presentation – $5 Per Person
If you’ve chosen to see a special temporary exhibition, have a Field Museum docent provide your group with a 20 minute expert introduction and content overview before you enter the exhibition. Presentations are not available with all special exhibitions.

Sip or Swirl – $25 Per Person
Enjoy red, white or a combination wine flight that features Sustainable or Certified Organic wines to compliment your visit to the recently opened Conservation Hall. If you enjoy beer, you’ll love "Tooth & Claw," a new beer developed by Logan Square’s Off Color Brewing and the Museum. The name of the dry hop lager is inspired by the museum’s most famous resident, SUE the T-Rex. Tooth & Claw is a Czech-style Pilsner. Your flight includes other limited edition Field Museum beers based on seasonality. You can also add a cheese plate to your tasting experience.

Scavenger Hunt – $50 Flat Fee
A self-guided scavenger hunt takes your groups on an adventure through our permanent collections.

Pitch Perfect Performances And Clinic Space
Whether your group needs practice space, clinic space or wants to perform, the Field Museum is a pitch perfect fit. Performance is included with the Discovery Pass ticket. Please call 312-665-7300 for availability and pricing for clinic rental space.

BEHIND THE SCENES TOURS

Did you know that the Field Museum houses nearly 30 million specimens and artifacts?
Less than 1% of those are on display to the public! Explore the storerooms and working laboratories that house these exquisite and unique collections during your own Behind the Scenes Tour!

Start with the Field Museum Highlights:
Start the day in our grand Stanley Field Hall with a docent-led tour of the Museum’s history and highlights. You’ll be introduced to treasures of the museum’s permanent collections, including the world famous man-eating Lions of Tsavo and our fighting African elephants - part of the museum’s collection since the World’s Columbian Exposition in 1893.

Zoology and Limited Access Areas
Dig into one of the non-public collections areas with a museum curatorial staff member leading the way. We’ll take you through the Zoology and Entomology departments. Get up close with real live bugs during a special presentation from a Field Museum insect expert. Hold live insects, see a scorpion glow in the dark, observe Madagascar hissing cockroaches and more! Learn about the special worker bugs that clean animal skeletons and tour the non-public third floor of the museum where our scientific staff work every day!

Tours are $59 per person with a 25 person minimum and include basic admission, a special exhibition viewing, a private docent-led Museum Highlights tour and a private hour-long Behind the Scenes Tour!

All tour options must be booked a minimum of two weeks prior to visit. Ask us about other available programs!
