WATCH

- **Wild China**
  [http://www.bbc.co.uk/programmes/b00by6lk](http://www.bbc.co.uk/programmes/b00by6lk)
  Six-episode documentary series focused on the diversity of Chinese geography, wildlife, and cultures.

- **Last Emperor of China**
  [https://www.youtube.com/watch?v=ImZ4zBScFDE](https://www.youtube.com/watch?v=ImZ4zBScFDE)
  Documentary about Puyi, the last emperor of Dynastic China. Covers a fascinating time in early 20th Century China not explored fully in the exhibit.

- **Under the Dome** – [https://www.youtube.com/watch?v=V5bHb3ljjbc](https://www.youtube.com/watch?v=V5bHb3ljjbc)
  This documentary (which views like a long-form TED talk) about environmental threats in China went viral when it was released last year. Creator Chai Jing offers a deeply personal (and scientific) look at what it means to live and parent in China today.

- **China X** – [https://www.edx.org/course/china-part-1-political-intellectual-harvardx-sw12x](https://www.edx.org/course/china-part-1-political-intellectual-harvardx-sw12x)
  A (free!) 10 section online course from Harvard covering Chinese history to the present.
